

Getting to Little Cayman is easy. [Cayman Air Express](#) offers twin engine service several times a day from Grand Cayman. Several major carriers including Cayman Airways, American, Continental, Delta, Northwest, Spirit, USAir and British Airways travel to Grand Cayman and connect up with Cayman Express. In terms of documentation, U.S. citizens must have a return ticket and a passport (effective January 23, 2007). Before travelling to the Cayman Islands, please check the new passport requirements. As of June 8, 2007 the US government has issued a travel flexibility for people who have already applied for their passports but not yet received them.
