

Little Cayman along with its Sister Island of Cayman Brac and Grand Cayman form the Cayman Islands chain. Little Cayman is absolutely the undisputed [fishing](#) [and diving paradise](#) of the Caribbean. The island is surrounded by shallow lagoons that are ideal for bonefish and tarpon. Little Cayman deep sea fishing for tuna, wahoo, dolphin and marlin is just offshore. Bloody Bay Marine Park with its crystal clear waters and dramatic walls is a short boat ride away. Divers and snorkelers will enjoy the incredible walls and marine life that are found on Bloody Bay and Jackson Walls. Topside you can enjoy watching the iguana population or the magnificent frigate birds as they catch some of the tropical breezes. Whether you are a fisherman, diver, snorkeler or birder Little Cayman is a must see destination!
